

2020 Annual Corporate Sponsorship Opportunities

The Ohio Women's Affordable Housing Network (OWAHN) is an organization committed to the empowerment and development of women who work in affordable housing through partnership, networking, advocacy, and community engagement. It is our goal to create a state-wide organization that brings together women from all sectors of the affordable housing industry to carry out our mission.

We are committed to partnership not only with individuals, but with organizations who share our vision of creating a network of women across Ohio who make a difference in their communities and organizations.

Partnering with us will help you gain exposure to our growing membership base, while also promoting your organizations mission, and supporting our groundbreaking organization in its inaugural year.

If this excites your team, we'd love to have a conversation. Please reach out to Stephanie Rhodes at srhodes@nationalchurchresidences.org or Amie Gray at Amie.Gray@tidwellgroup.com.
